Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Monday 09 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Unsettled start but turning warmer during the week.

This Evening and Tonight:
Risk of heavy, potentially thundery, showers in the early evening but fading as we move into the night. Remaining cloudy for most but chance of clear spells, particularly in the early hours of the morning. Winds easing. Minimum temperature 12 deg C (54 deg F).

Tuesday:
A largely dry start, but increased chance of showers around midday. These will clear during the afternoon leaving sunny spells for most, and it will feel warmer than recent days. Maximum temperature 22 deg C (72 deg F).

Outlook for Wednesday to Friday:
Starting to brighten up on Wednesday but becoming cloudier although remaining dry. Perhaps some rain on Thursday. Remaining largely dry on Friday and feeling rather warm throughout.
